| <input type="radio"/> Asperger's Syndrome | <input type="radio"/> Global Developmental Delay | <input type="radio"/> Pervasive Developmental Disorder | |

About Kid Sense

Established in 1998, Kid Sense Child Development is a private provider of multidisciplinary paediatric Allied Health services for children from birth to 18 years. We help children overcome developmental challenges in their movement, play, language, learning and behaviour.

Before trusting Kid Sense with your child's care, there are a few things you should know about us:

- ☀ Since 1998, thousands of children and families have benefited from our clinical experience and premium quality service
- ☀ We operate from a purpose-designed Child Development Centre
- ☀ We have a multi-disciplinary paediatric team comprising Occupational Therapy, Speech Pathology, Physiotherapy & Psychology
- ☀ We offer a one-stop convenience for parents
- ☀ We provide a single-point of referral for Doctors, Schools, Kindergarten and Child Care staff
- ☀ We have a full-time clinical and administrative staff, each highly qualified and experienced
- ☀ We guarantee flexible scheduling with minimal waiting times
- ☀ We offer a variety of Assessment options to best meet the child's need and parents' budget
- ☀ We provide a written summary of findings immediately after each Assessment
- ☀ Assessment Reports are emailed within 5 working days
- ☀ Personalised home recommendations are provided after each treatment session
- ☀ Regular clients receive a \$50.00 discount by simply booking and prepaying for 4 sessions
- ☀ We service all programs under Medicare and FaHCSIA (Inc. Better Start)
- ☀ We send a courtesy reminder by SMS or email before each appointment
- ☀ We have a collaborative, team-based approach with Doctors, Teachers, Kindergarten and Child Care staff
- ☀ We have a great website with lots of information and free on-line self assessments
- ☀ We email parents and teachers regular newsletters
- ☀ We regularly host educational workshops for parents and teachers
- ☀ We deliver educational presentations at Kindergartens and Schools and for special interest groups
